

1 Registering to CSC

Navigate in your web browser to <https://my.csc.fi/login>. Select **Haka** as an authentication provider and in the next view choose **HAAGA-HELIA University of Applied Sciences** in the dropdown menu.

The image consists of two side-by-side screenshots of a web interface for selecting an authentication provider.

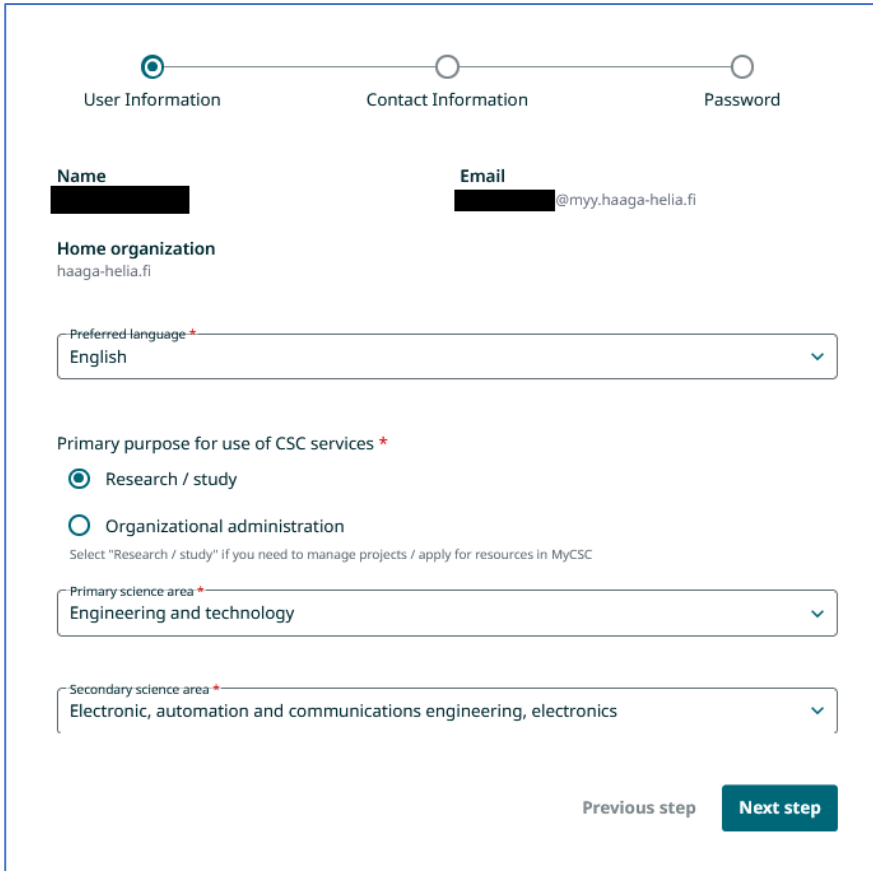

The left screenshot is titled "Select an authentication provider". It displays four options in a grid:

- Haka**: Highlighted with a red rectangular border.
- CSC**: Represented by a stylized logo.
- VIRTU**: Represented by a logo with a blue square.
- LS LOGIN**: Represented by a logo with a blue star.

Below the grid, there is a link: "Which authentication method should I use?".

The right screenshot shows the Haka authentication screen. At the top is the Haka logo. Below it, a text box states: "CSC Customer Authentication requires authentication. Required personal data is transferred automatically to the service after authentication." Below this is a dropdown menu currently showing "HAAGA-HELIA University of Applied Sciences". There is an unchecked checkbox labeled "Remember selection for this web browser session." and a large purple button labeled "SELECT".

Give your Haaga-Helia credentials when prompted (bxx000 + password). After authentication you will start to create a new profile to CSC's platform. Match your selections to the image below and proceed to **Next step**.

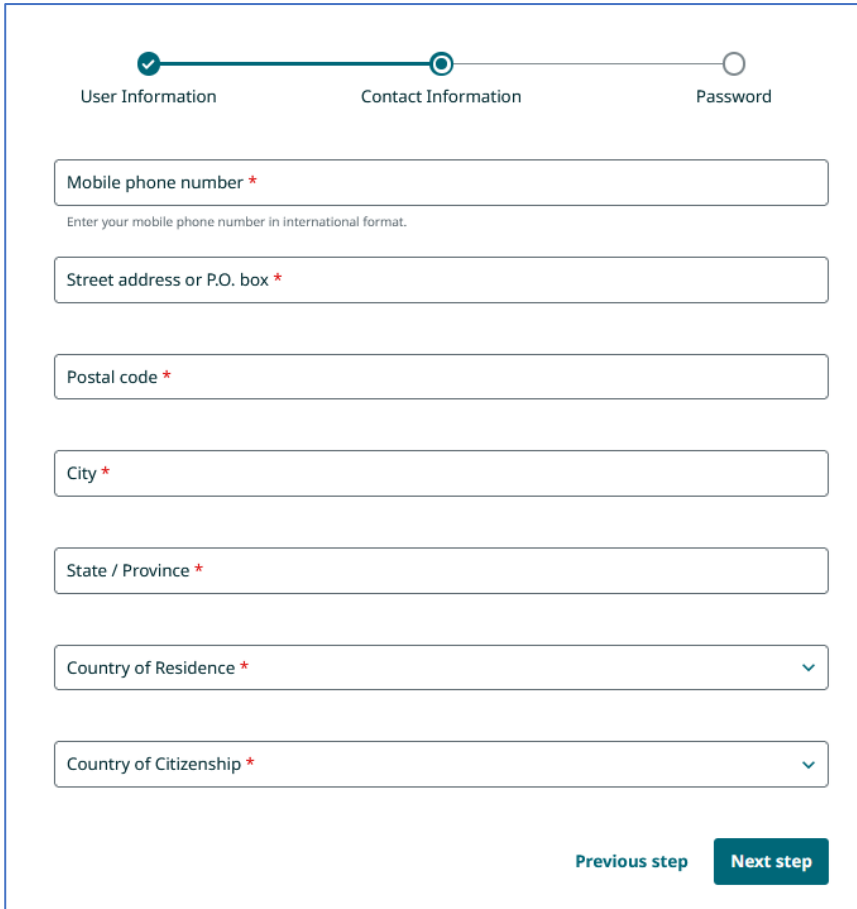

The form is titled "User Information" and is part of a three-step process. The first step, "User Information", is currently active. The second step is "Contact Information" and the third is "Password". The form contains the following fields and options:

- Name:** A text input field with a blacked-out value.
- Email:** A text input field with a blacked-out value followed by "@myy.haaga-helia.fi".
- Home organization:** A text input field with the value "haaga-helia.fi".
- Preferred language:** A dropdown menu with "English" selected.
- Primary purpose for use of CSC services:** Two radio button options: "Research / study" (selected) and "Organizational administration". A note below states: "Select 'Research / study' if you need to manage projects / apply for resources in MyCSC".
- Primary science area:** A dropdown menu with "Engineering and technology" selected.
- Secondary science area:** A dropdown menu with "Electronic, automation and communications engineering, electronics" selected.

At the bottom right, there are two buttons: "Previous step" and "Next step".

Fill the form with your contact information and proceed to **Next step**. You can also use Haaga-Helia's information but use your own phone number.

Navigation buttons: Previous step, Submit

After submitting your information, you might have to wait 0-30 minutes before you can log in to your new CSC account. CSC will send you a confirmation message. Check the message for your new CSC username. The username is derived from your own name.

REGISTRATION SUCCESSFUL

Thank you! Your registration was completed successfully.

i It might take a few minutes before you are able to log in!

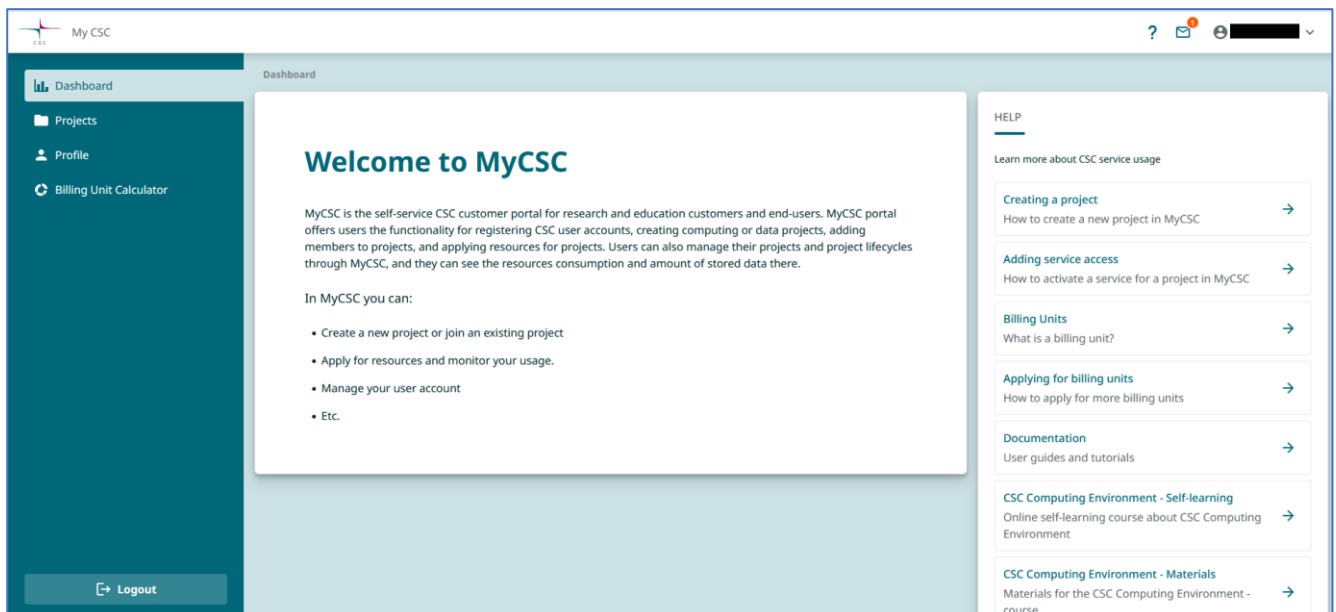

Login

From now on you can choose either Haka or CSC as your authentication provider when you login to <https://my.csc.fi/login>.

If you prefer Haka, use your Haaga-Helia credentials.

If you prefer CSC, check your email for your CSC Username and use the password you chose during profile creation.

Successful login will redirect you to this page:

The screenshot shows the MyCSC dashboard. The top navigation bar includes the MyCSC logo, a search icon, a notification icon, and a user profile icon. The left sidebar contains links to Dashboard, Projects, Profile, and Billing Unit Calculator. The main content area features a 'Welcome to MyCSC' message, a brief description of the portal's functionality, and a list of actions users can perform: 'Create a new project or join an existing project', 'Apply for resources and monitor your usage', 'Manage your user account', and 'Etc.'. The right sidebar, titled 'HELP', provides links to various resources: 'Creating a project', 'Adding service access', 'Billing Units', 'Applying for billing units', 'Documentation', 'CSC Computing Environment - Self-learning', and 'CSC Computing Environment - Materials'.
